INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Dear Madam

Your inclosing Official notice from Com of Indian

affairs received, I do not know how you are to establish proof of descent
of Cherokee Tribe, this is required by Law,
The office state the name claimed as Cherokee ancestors does not appear on
the Roll of 1836, It was claimed by the elder of the family, that Green
McIntosh, and Dilbeck was cherokees in Ke, and from these, the Cherokee
was handed down to the Greens, that John Green, your Great Grand Father
was a Cherokee, but if they are not carried on the Roll, I do not see how
you are to set up proofs, of blood relation, there is no doubt about McIntosh
being a Cherokee, but the Records are incomplete and in the hands of the
"Commissioner", whose acts are deprived of their use,
I see Dr J. King and he give me names to confer with in N. J. that might
be something of the Dilbeck Indians, but if they do not the Green family
is to prove descendants from Dilbeck, I do not know, The Poles made up in
1836 giving names of Cherokees removed from Ga, the Commissioner writes he has
not got, I think this is the Pole that would carry the Green family
It seems the poor way in which the Enrollment was made, is a hard record to
trace, I have letter from the Commissioner at Muscogee, Indian Ter, now the
Stat of Oklahoma, and he writes me his Pole is not Indexed, and would be
hard to trace,

Truly

April 29, 1908.

Georgia Hart,
Rome, Ga. R.F.D. 4

Madam:-

With reference to application #25417 for yourself and children, to share in the Eastern Cherokee Fund, I beg to say that you have mixed up the ancestry considerably. Will you kindly state in full names of your parents and grandparents on both sides, together with all of their children. None of the parties mentioned in your application appear on either the roll of 1833 or that of 1851. Kindly state why those who were living on those dates were not enrolled.

Do you claim Indian descent through both parents? Were you or either of your parents ever held as a slave? If so, state whether they were owned by white people or Indians.

Did your parents or any of your other ancestors ever reside with any Indian tribe? If so, state when and where and give the name of such tribe.

Very respectfully,

Special Commissioner.

Sir:-

You have on file in this office application #12970 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Mrs. Isaac Petty, whose maiden name was Parthenia Mullenax.

Please inform this office who was your full-blood ancestor, and how that ancestor came down to yourself, and state, if you know of any person, why your said ancestors were not enrolled. Were your ancestors full-blood Indians, or Indians and Whites or other race? Were any of them ever held as slaves by the Cherokee Indians?

Your prompt reply will be appreciated.

That I am about 36 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman and my husband is a white man. My father claimed the Indian blood through both parents. My father was about 60 years of age when he died. I think he was born in Alabama, Limestone Co. He has always lived in Tenn. and Ala. all his life and he died in Alabama. That is where his parents lived. I have heard that the only thing that prevented them from driving my grandfather with the Indians was because he was a cripple. He was living in Ala. or Tenn. close to the line when they drove the Indians out. I don't know whether my father ever lived with the Indians or not. Don't know whether any of them were ever on any Indian rolls. They never received anything from the government. My father was recognized as a white man in the community. My grandfather was 1/2 Indian. My great-grandmother was 1/2 Indian. Don't think that my grandmother had any Indian blood. None of us made application to the Dawes Commission. This is the only application I ever made.

Very slight indication of Indian blood

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did your parents or any of your ancestors ever reside with any tribe of Indians? If so, state when and where and give the name of such tribe.

App. #25440.

July 26, 1907.

Claude M. Pitts,
Melissa,
Texas.

Sir:-

Replying to your letter of July 19, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is reached for consideration you will be notified if any further information is required in connection with the same.

Very respectfully,

Special Commissioner.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Madam:-

Replying to your letter of August 12, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Do you claim any Cherokee descent whatever through your father? If so, give the names of his ancestors in full.

Were you or your mother or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did any of your ancestors ever reside with any Indian tribe? If so, state when and where they lived with such Indians and give the name of such tribe.

My name is Margaret E. Roberson and I reside at
Cross Depot, Ala. I was born in Monroe Co., Miss. in 1861.
I claim relationship to the Cherokee Indians through my
mother, Martha Lindsey, who was a half blood Cherokee Indian.
She claims through her mother, Polly Masengale, who was
three-quarters Cherokee Indian, and my grandmother claims
through her father, Rhederick Masengale, who was a full-blood
Cherokee Indian. My mother was born in Monroe Co., Miss.,
about 1838. I cannot tell exactly, but I always understood
that my grandparents were born and raised in Georgia. The
Indians often passed through our home and would stop for a
day or two with us and then go on. My parents were never
enrolled as Indians nor ever received any money or lands from
the Government.

Sir:-

In re App. No. 25475. ~~George W. Roberts,~~

Mr. Roberts has asked me to answer your letter in the above matter and has asked that I represent him in the future in this claim. If this is in accordance with the rules of your department.

Claimant claims through his mother alone, her maiden name was Louise M. Woodall, she was enrolled at Going Snake agency in 1854, later she married and was enrolled in 1880 under the name of Louise M. Roberts, and was again married and enrolled (applicant thinks she was again enrolled) under the name of Louise M. Coble. Her fathers name was Woodall given name not known and applicant does not know whether they were enrolled or not. There is no claim of Indian decent through the father.

Applicant has been enrolled by the Daws Commission, enrollment number 9085 but through error he was enrolled as George F. Roberts instead of George W. Roberts, applicant states that he was known as George F. as a child but that as he grew older the name was changed to George W. He was enrolled in 1880 under the name of George F. Roberts.

Neither his mother or any of her children have ever participated in the Old Settler payment. One

Marion L. Spiller
Lawyer

Oklahoma City, Okla.,

of her cousins a Coffey Woodall, an Indian interpreter. shared in this fund but for some reason she was not allowed to participate in this disbursement.

Both the mother and grandparents resided in the Cherokee Nation during the greater part of their life the mother having been born there and lived all her life there. She died in 1898. She was born in 1854^{at} Going Snake agency and died near Vinita. Her entire life being spent with the Cherokee tribe.

In regard to Mr. Coble's application to share in the Eastern Cherokee fund, Mr. Coble has asked me to tend to this matter for him and I herewith give you such information as he now has;

His mother was no enrolled in 1851 but he thinks she was in 1854 at Going Snake agency, under the name of Louise M. Woodall, she was again enrolled after her marriage under the name of Louise M. Roberts and on her second marriage was again enrolled under the name of Louise M. Coble. He has no positive knowledge as to whether his grandparents were ever enrolled or not but thinks they were. No one of his ancestors shared in the Old Settlers fund. Mr. Coble is enrolled on the Cherokee roll number 30184. He is a half brother to George W. Roberts, app. no. 25475 about which I wrote you a few days ago. Both these applicants claim through their mother.

Application No. 25491

August 29, 1907.

Mrs. Binnah Thomas,
Fort Gibson, Ind. Ter.

Dear Madam:-

Replying to your letter of August 25, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 50,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

August 22, 1907.

Rejinh Holloway,

R.F.D. No. 2, Box 32,
Winder, Georgia.

Sir:-

Replying to your letter of August 15, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Madam:

Replying to your letter of May 23, 1968, you are advised that your application has been given a preliminary examination but it has not yet been finally acted upon.

More than 44,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion in your case you will be notified to appear before one of our assistants at some convenient point to furnish the additional testimony required.

I note that you are that you have been largely from ... etc, ... collect ... from ... of ... and ... etc, and if he claims to be one of our assistants, or if he claims that he represented the Government in any way? This is to certify that I, M. C. McCarty do state under oath that I am, or was, well acquainted with Sallie Vann, and she said she was the wife of J. R. Vann, and also claimed the family to be mixed with Indian blood; and I knew John D. Vann, Ann Vann, Bettie Vann, William Vann, and Nancy Vann, children of Sallie & J. R. Vann. They had some other children, but I never knew them; and Nancy Vann married a man named Jim Scott, and they had born to them Nancy Ader Ann Scott who married John W. Meek. They had also three other children who now lives at Monroe, Monroe Co., Arkansas; Nancy A. A. Meek claims her Indian blood was inherited from her mother and grand father.

Sallie Vann, wife of J. R. Vann has told me several times about her husband having Indian blood or being part Indian belonging to the Cherokee tribe. His wife, Sallie Vann, wife of J. R. Vann, has told me that her husband was murdered on White River, near Surrounded Hill, Arkansas. I have known Sally Vann & Family from childhood, and I am now sixty one years old and have also known Nancy Vann, or Scott, and her Family from our childhood until the present time, there being only a few months difference in my age and Nancy Vann or Scott. And also have known Nancy A. A. Scott from her birth until marriage and after her marriage until they moved from this county to the Indian Territory about fifteen years ago, and also have known her husband J. W. Meek from a small boy. The said Sallie Van wife of J. R. Vann has also told me that they came here from Madison County Alabama, near Paint Rock River.
